

McGill and Partners announces new appointments as it continues to drive its growth agenda

New York - 9 August 2023 -- McGill and Partners, the global boutique specialist insurance and reinsurance broker, has announced several important leadership appointments within its US operations.

Karl Hennessy, who currently leads the Global Specialty Insurance teams in London, will be appointed CEO of McGill Global Risk Solutions LLC, the US insurance and reinsurance business, and will move to New York from London, subject to visa approvals. He will be supported by John Judice, who is appointed President of the US business with immediate effect and will be responsible for driving sales and business development activity across McGill and Partners' specialty insurance platform. Warren Mula will remain Chairman of the US business.

Nirali Shah has been appointed Head of US D&O and to further support Business Development activity in the US, Daisy Jackson has been appointed Partner, Business Development, and will move to New York from London, subject to visa approvals. Alyssa Gerardi is appointed as Steve McGill's Chief of Staff and has moved from New York to London.

As Karl transitions to the US, his previous responsibilities will be taken over by our Chairman, John Lloyd.

McGill and Partners works closely with many leading high-quality retail and/or wholesale brokerage firms and/or (re)insurers as well as global clients and their captives to deliver superior solutions and services to this segment. Specifically, the focus of the firm is on the design structuring and placement of world class (re)insurance solutions, particularly for larger or more complex clients.

Steve McGill, CEO of McGill and Partners, said: *"Since we launched four years ago, we have developed a value proposition and business model that is highly differentiated, enabling us to deliver industry leading organic revenue growth. The US is the most important (re)insurance market in the world and these leadership changes are designed to reinforce our commitment to the US market, for the benefit of all our trading partners and clients."*
